

Soldering Irons - Miniature

NTE

- In-line On/Off switch
- Includes safety stand, soldering iron and conical needle tip

MODEL	POWER	TIP TEMPERATURE
J-012	12 Watts	360°C (680°F)
J-020	20 Watts	510°C (950°F)

Soldering Irons - Cordless

CIRCUIT-TEST

- Includes 3 x AA batteries
- Heats to working temperature in 15 - 20 seconds
- Solder included

MODEL	DESCRIPTION
SR-195	Battery Powered Iron - 6 Watts

Weller

- Includes 3 x AA batteries for up to 120 solder joints
- Heats to working temperature (482°C / 900°F) in 15 seconds
- Conical tip included

MODEL	DESCRIPTION
BP645MP	Battery Powered Iron - 6 Watts

Soldering Gun

Weller

- 100-140 Watts, 120VAC
- Temperature: 482-549°C (900-1020°F)
- Multiple tips included

Complete 7-piece kit with soldering gun, soldering tip, sealing tip, cutting tip, lead-free rosin core solder and hex wrench enclosed in a sturdy plastic carrying case.

MODEL	DESCRIPTION
8200PK	

Butane Irons

BUTANE SOLDERING IRON/TORCH

- Equivalent power: 30-70W
- Operating range: 210-399°C (410-750°F) for soldering; 1371°C (2500°F) as torch
- Not self-igniting
- Running time: 30 min
- Includes 1mm conical tip

NTE

MODEL	DESCRIPTION
J-500	

BUTANE SOLDERING IRON - PORTASOL®

- Equivalent power: 25-75W
- Operating temperature: 454°C (850°F)
- Self-igniting
- Running time: 90 min
- Includes 3/32" chisel tip

Weller

MODEL	DESCRIPTION
P2C	

BUTANE SOLDERING IRON - PYROPEN

- Equivalent power: 25-60W
- Operating temperature: 250-500°C (482-932°F)
- Self-igniting
- Running time: 180 min
- Includes tips WPT2, WHC51

Weller

MODEL	DESCRIPTION
WPA2	

Butane Torches

Weller

- Piezo electric ignition for reliable starting
- Flame temperature up to 1315°C (2400°F)
- Adjustable flame height
- Running time: up to 60 min
- Refillable with WB1C filtered butane

MODEL	DESCRIPTION
ML200	Butane Table Top Torch

Weller

- Micro butane torch
- Flame temperature up to 1315°C (2400°F)
- Self igniting
- Blue LED illuminates work in dark conditions
- Running time: 25 min

MODEL	DESCRIPTION
ML100	Butane Magna-Lite® Torch
