

**Wall Plates**

**BLANK WALL PLATES**

- Plastic wall plates
- For keystone jacks and accessories

| MODEL   | DESCRIPTION |  |
|---------|-------------|--|
| 100-401 | 1 Port      |  |
| 100-402 | 2 Ports     |  |
| 100-403 | 3 Ports     |  |
| 100-404 | 4 Ports     |  |
| 100-406 | 6 Ports     |  |

**DECORATOR INSERTS**

- Accepts modular keystone inserts for custom installations
- Smooth ABS Plastic
- Includes color-matched mounting screws

| MODEL   | DESCRIPTION |  |
|---------|-------------|--|
| 72-5051 | 1 Port      |  |
| 72-5052 | 2 Ports     |  |
| 72-5053 | 3 Ports     |  |
| 72-5054 | 4 Ports     |  |

**Wall Plate Mounting**

100-415

WP-57

CF1

- For surface mounting
- Open-back types (WP-57 and WP-58) for cables with larger bend radius

| MODEL   | DESCRIPTION                             |  |
|---------|---|--|
| 100-415 | Surface Mount Junction Box 1 Gang White |  |
| WP-57   | Wall Plate Box - 1 Gang                 |  |
| WP-58   | Wall Plate Box - 2 Gang                 |  |
| CF1     | Wall Plate Mount - Metal                |  |

**Telephone Cable Extensions**

OA368WH

OA346-0

OA301WH

| MODEL                    | DESCRIPTION                       |  |
|--------------------------|-----------------------------------|--|
| <b>COILED EXTENSIONS</b> |                                   |  |

| 100-108-100 | RJ45 Plugs, Pkg/100  |  |
| 100-110-10  | RJ50 Plugs, Pkg/10   |  |

**Modular Jacks**

OA359WH

| MODEL    | DESCRIPTION |  |
|----------|-------------|--|
| OA359WH  | RJ11 Jack   |  |
| OA359WH6 | RJ12 Jack   |  |

**Modular Couplers/Splitters**

- Splitter for connecting 2 devices to 1 line
- For single and 2 line phone systems

| MODEL   | DESCRIPTION   |  |
|---------|---------------|--|
| OA300-0 | RJ11 Splitter |  |
| OA300-6 | RJ12 Splitter |  |

- Duplex jack for 6-pin plugs
- For single and 2-line phone systems

| MODEL    | DESCRIPTION              |  |
|----------|--------------------------|--|
| OA344WH6 | RJ12 Jack to Jack, White |  |

- Connect 3 devices to 1 telephone jack
- Could be used telephone, answering machine and fax

| MODEL | DESCRIPTION         |  |
|-------|---------------------|--|
| OA305 | RJ11 3-Way Splitter |  |

- One RJ11 plug to three RJ11 jacks
- Output to Line1, Line2 and Line1 & Line2

| MODEL | DESCRIPTION         |  |
|-------|---------------------|--|
| OA294 | RJ11 3-Way Splitter |  |

- Modular in-line coupler (4 pin)

| MODEL   | DESCRIPTION       |  |
|---------|-------------------|--|
| PH107-4 | RJ11 Jack to Jack |  |

**Crimp Tools**  
**CIRCUIT-TEST**

For more CrimpTools, see pages 14-16

- RJ11 / RJ12
- Uses CIRCUIT-TEST connectors: 100-104-100 & 100-106-100

| MODEL  | DESCRIPTION                         |  |
|--------|-------------------------------------|--|
| CT-206 | 4/6 Contact Telephone Tool - Deluxe |  |
